2011

Third Quarter

Financial Report
Holding Monex

Mexico, Federal District - October 26, 2011 - Holding Monex, S.A.P.I.B. de C.V. announced its results for the third quarter ended September 30, 2011. All figures have been prepared in accordance with the provisions of the Comisión Nacional Bancaria y de Valores (CNBV) and are expressed in millions of pesos.

General Outlook

Holding Monex is a 100% Mexican holding company, whose subsidiaries are Monex Grupo Financiero and two other non-financial corporations: Pagos Intermex and Prestaciones Universales.

The Subsidiary companies of Monex Grupo Financiero are Banco Monex, Monex Casa de Bolsa and Monex Fondos, through which we provide our clients with the following products: foreign exchange, capital market trading (debt, stock market and investment banking), investment funds, risk management products, international investment, trust services, loans and letters of credit, among others.

Monex has 25 years experience in the financial markets, during which it has shown a constant and solid growth in traded volume and number of clients.

Through a successful promotional sales-force distributed in 40 cities in Mexico, Monex offers financial products that satisfy the foreign exchange, payment, investment and financial coverage and consultancy needs of its clients.

Pagos Intermex is a holding Monex subsidiary company through which it participates in the remittance payment business: Pagos Intermex is a company dedicated to the fast and secure payment of family remittances by account of money transfers or remittance companies located mainly in the USA. In order to carry out the business in Mexico, Pagos Intermex has a network of 53 branch offices for payment distribution, as well as correspondents with nearly 700 payment locations in Mexico.

Through Prestaciones Universales, Monex participates in the prepaid cards, food stamp and gasoline voucher markets with the "Si Vale" commercial brand.

Tempus consulting, Inc, subsidiary of Banco Monex, is an independent U.S. non-bank company focused on corporate foreign exchange and international payments. Tempus has a presence in Houston, TX; Los Angeles, CA; Washington, DC, United States, and Oxford, UK.

Accounting Series

According to the "General arrangements applicable to securities issuers and other participants in the stock market" Article 78 Title VIII, states: Financial statements of financial institutions should be prepared and audited in accordance with the accounting and auditing standards issued by Mexican authorities.

Preceding paragraph arrangements also apply to the financial statements of companies through its subsidiaries performs predominantly financial activities that are subject to Mexican authorities' supervision.

Through its subsidiaries Monex performs predominantly financial activities that are subject to Mexican authorities' supervision, that's why Monex develops and audits its financial statements on the same basis as its subsidiaries, in order to have comparable financial information consistent with financial entities regulated by the CNBV ("Banking and Securities National Commission").

Total operations revenue of third quarter 2011 reached \$1,335 million pesos, which represents an increase of 4% compared to the same period of previous year. Holding Monex's net income comes 68% from Forex transactions, 14.2% from securities brokerage and 6.6% from prepaid cards. During the second half of September 2011 and due to the exchange rate volatility of the peso against the U.S. dollar, the institution entered into foreign exchange transactions with some of its clients causing unfavorable results. The revenue performance of these operations is now reflected in this quarter. Forex income operations revenue totaled \$690 million pesos, 15.4% higher than the reported figure during the same period of 2010. Securities brokerage revenue reached \$144. Additionally, loan operations posted revenues of \$32 million pesos, a 565.9% increase compared to the same period of previous year.
